## PARTIAL STATEMENT OF EXISTING UNITED STATES LAWS

**9. FOR ALL ENLISTEES OR REENLISTEES:** Many laws, regulations, and military customs will govern my conduct and require me to do things a civilian does not have to do. The following statements are not promises or guarantees of any kind. They explain some of the present laws affecting the Armed Forces which I cannot change but which Congress can change at any time.

a. My enlistment is more than an employment agreement. As a member of the Armed Forces of the United States, I will be:

(1) Required to obey all lawful orders and perform all assigned duties.

(2) Subject to separation during or at the end of my enlistment. If my behavior fails to meet acceptable military standards, I may be discharged and given a certificate for less than honorable service, which may hurt my future job opportunities and my claim for veteran's benefits.

(3) Subject to the military justice system, which means, among other things, that I may be tried by military courts-martial.

(4) Required upon order to serve in combat or other hazardous situations.

(5) Entitled to receive pay, allowances, and other benefits as provided by law and regulation.

b. Laws and regulations that govern military personnel may change without notice to me. Such changes may affect my status, pay, allowances, benefits, and responsibilities as a member of the Armed Forces **REGARDLESS** of the provisions of this enlistment / reenlistment document.

c. In the event of war, my enlistment in the Armed Forces continues until six (6) months after the war ends, unless my enlistment is ended sooner by the President of the United States.

**10. MILITARY SERVICE OBLIGATION FOR ALL MEMBERS OF THE ACTIVE AND RESERVE COMPONENTS, INCLUDING THE NATIONAL GUARD.**

a. **FOR ALL ENLISTEES:** If this is my initial enlistment, I must serve a total of eight (8) years. Any part of that service not served on active duty must be served in a Reserve Component unless I am sooner discharged.

b. If I am a member of a Reserve Component of an Armed Force at the beginning of a period of war or national emergency declared by Congress, or if I become a member during that period, my military service may be extended without my consent until six (6) months after the end of that period of war.

c. As a member of a Reserve Component, in time of war or national emergency declared by the Congress, I may be required to serve on active duty (other than for training) for the entire period of the war or emergency and for six (6) months after its end.

d. As a member of the Ready Reserve I may be required to perform active duty or active duty for training without my consent (other than as provided in item 8 of this document) as follows:

(1) In time of national emergency declared by the President of the United States, I may be ordered to active duty (other than for training) for not more than 24 consecutive months.

(2) I may be ordered to active duty for 24 months, and my enlistment may be extended so I can complete 24 months of active duty, if:

(a) I am not assigned to, or participating satisfactorily in, a unit of the Ready Reserve; and

(b) I have not met my Reserve obligation; and

(c) I have not served on active duty for a total of 24 months.

(3) I may be ordered to perform additional active duty training for not more than 45 days if I have not fulfilled my military service obligation and fail in any year to perform the required training duty satisfactorily. If the failure occurs during the last year of my required membership in the Ready Reserve, my enlistment may be extended until I perform that additional duty, but not for more than six months.

(4) When determined by the President that it is necessary to support any operational mission, I may be ordered to active duty for not more than 90 days if I am a member of the Selected Reserve.

**11. FOR ENLISTEES / REENLISTEES IN THE NAVY OR MARINE CORPS:**

I understand that if I am serving on a naval vessel in foreign waters, and my enlistment expires, I will be returned to the United States for discharge as soon as possible consistent with my desires. **JAN 30 1987**

I understand that my enlistment/appointment in the U. S. NAVY or Naval Reserve (including the Delayed Entry into Training (DET) program, the Delayed Enlistment Program (DEP), and officer accession programs) and my ultimate assignment to active duty or active duty for training, is contingent on the return of negative results of blood tests which screen for HTLV-III antibody. The HTLV-III antibody is the body's response to the virus believed to cause Acquired Immune Deficiency Syndrome (AIDS). Presence of the HTLV-III antibody implies past exposure to the virus that causes AIDS but does not indicate the presence of the disease AIDS. I understand that if the test indicated the presence of the HTLV-III antibody, I will receive an Entry level separation (ELS) or discharge, as appropriate from the Navy or Naval Reserve and my enlistment contract will be voided.

I understand that upon ELS or discharge from the DEP, DEP, U. S. Navy or Naval reserve. I may obtain a written consultation at my own expense from a private physician in order to be evaluated as to my potential for infection with the HTLV-III virus. If results are negative, I may provide the consultation to my Navy Recruiter for further evaluation of my eligibility to reenter the Navy or Naval Reserve.
